

DECKOS - PIGMENT AND PARADOX PRESENTS

MUTANT PIGS: SIGNALS ON THE ICE

CHAPTER NINE - THE SHINING STAR

Before the WGS - Season One Illustrated Guide

Now their signal would find the galaxy.

The league becomes a shining star. The star sends its light outward.

The first complete MPPHL season fills every tier with rival colors under one roof.
The full house proves that gathering has become celebration rather than mobilization.
Solomon Sowell and Arlo Root bind professional authority to the Common Ice Rule.

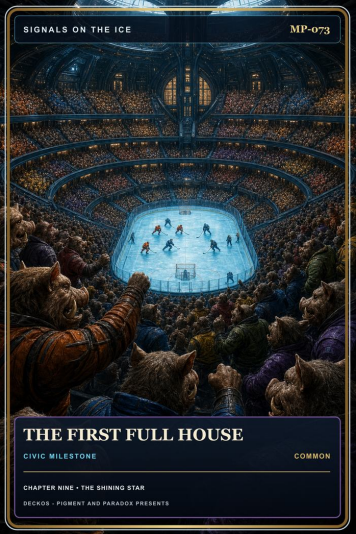

Smiths forge the Foundry Cup from surrendered battlefield metal. Its repaired seams
remain visible so every champion must lift the memory of what the herds refused to build.

The inaugural champions return the Cup to the first rink so every piglet can touch it.
Mara Tusk and Bram Bristle reverse the old receiver and send the league outward.
The signal had found them. Now their signal would find the galaxy.
